EDUCATION

J.C. Bose University of Science and Technology, YMCA

Bachelor of Technology in Computer Science and Engineering

October 2022 – June 2026

Haryana, India

SUMMARY

Skilled software developer with strong experience in Java and JavaScript, and expertise in frameworks like React, Next.js, and Three.js. Known for being a quick learner and for collaborating closely with clients to deliver efficient, scalable, and user-friendly solutions that address real-world challenges effectively.

RELEVANT COURSEWORK

- Web Development
- Data Structures and Algorithms
- OOPS Concept

PROJECTS

Admin Dashboard 🔗 | React, JavaScript, TailwindCSS

- Developed a centralized, user-friendly interface for real-time access to critical information.
- Implemented data visualization features, including interactive charts and various dashboard pages.
- Developed a modular interface with multiple pages (dashboard, reports, settings), enhancing navigation and user experience
- Features a single dashboard that consolidates information effectively.
